

Gloucestershire Primary Geography Subject Leader Network 30 Sept 2026

Useful GIS links and references

GIS apps

Navigation – Geographic Tools for Education (navigatio.earth)

Includes links to a range of new apps, created using vibe coding with AI assistance.

- [Geo Mapper 2D Plus](#) (create multiple GIS layers with CSV files; GeoJSON files; Tileset URLs)
- [Geo Mapper 2D](#) (create GIS layer with a single CSV)
- [Geo Mapper 3D](#)

Sample CSV data sets are downloadable for use with the Geo Mapper apps

- [Digimap for Schools](#) Excellent access to OS maps online (subscription and logon required)
- [National Library of Scotland Maps](#) Probably the best collection of online maps in the world. Includes OS Maps Leisure (1:50,000/1:25,000)

Geo Mapper apps include Overlays for Tectonic Plate Boundaries, Tectonic Plate Names (Labels), Latitude/Longitude Grid, OS National Grid (GB only), Major Cities (Pop >7m Metro), Major Rivers (main), Major Rivers (all), Major lakes, Urban Areas (Population Density), USGS Earthquakes (Last 30 Days)

Examples of GIS 'ready-made' resources

- [Oak National Academy GIS lessons](#) Free, national curriculum-aligned resources designed by subject experts for KS1, KS2, KS3 and KS4.
- Geo Mapper 2D Map GIS river journey including interactive quiz: [River Severn \(Afon Hafren\)](#)
- Geo Mapper 3D Map GIS river journey: [River Severn \(Afon Hafren\) 3D](#)
